Dear Friends,

Welcome to Bacchus
And Welcome to the Christmas '26 Season…

As we enter another Chapter in the forever dynamic and changing Landscape of our beloved trade..we continue to be ambitious and visionary in our efforts to bring about a Wine and Hospitality Experience with a reputation for excellence.

The family Bacchus has demonstrated its responsiveness, flexibility and competitiveness, thanks to the close relationships it maintains with its own family members and you, the client, and our suppliers - thank you.

The Bacchus selection of celebrated vineyards and new entrants are a gift of nature and owe much to their diversity. The sheer size, difference in soil, microclimate and the proportion of different grape varieties give us the exposure to bring you choice and ultimately the pleasure.

Our portfolio consists of wines from world famous Grands Crus Classés to must–have classic labels which have pure expressions of unique terroir, that produce benchmark wines from cabernet sauvignon, merlot, malbec, corvina, tempranillo, sauvignon blanc, chardonnay, albarino, and many more styles.

From maceration to fermentation and from blending to ageing, our wine producing partners are talented winegrowers who know how to give life to the fruit of the vine.

And naturally to add to our claims, we are conscious of our obligations to honouring our environmentally-friendly approach to winegrowing and sustainability practice from vine to bottle. In a few words we continue to search for vineyards which benefit from high quality ecosystem without the risk of external contagion.

Our promise to our customers is encapsulated in the word 'Provenance'.

We endeavour to offer choice, quality, price, and delivery… we call that 'service'.

A pleasant reason to do business!

Bordeaux Selection from our Cellar

< Haut Medoc 2019, Le Haut Medoc Giscours 6x75cl

The 2019 vintage has beautiful fruity notes of blackberry, black currant and raspberry. In the mouth, a perfect marriage of sweet spices and round tannins makes this wine a great expression of our Haut-Médoc terroir. Haut-Médoc Giscours 2019 has the emblematic character of Giscours wines: structure, aromatic brilliance and fine tannins.

> Margaux 2021, Margaux De Brane 6x75cl

The style given to Brane is that of an elegant and refined wine, with a soft tannic structure and a very nice freshness. The nose presents aromas of strawberries and red currants, very ripe, supported by subtle notes of vanilla. The wine evolves towards a greedy mid-palate, the tannins are round, supple and well-balanced. There is a very nice freshness on the finish. What a charm!

> Pauillac 2019, Verso Haut Batailley 6x75cl

A very classy Pauillac with energy and lift. The second wine of Haut-Batailley, and already one can see its potential to age. Notes of cassis, graphite and cedar, with attractive minerality on the finish. Classic in style, with just a touch of black pepper toward the finish. Well worth seeking out.

NEW WINE

> Le Blanc Du Château Prieuré-Lichine 2023 6x75cl

Gooseberries, lime curd, green papayas and flint on the nose. Focused and creamy on the palate, medium-bodied, with subtle spice and toast elements to complement the tropical fruit.

< Pomerol 2019, Fugue De Nenin 6x75cl

Clear pencil lead character, this is a classic Pomerol with beautiful balance and ripe raspberry and red cherry fruits. Pretty austere for a 2nd wine, with tension and a firm tannic structure. The Fugue de Nénin is a wine built on roundness and freshness, bearing the elegance of its terroir and the characteristics of its appellation.

> St Emilion Grand Cru 2016, Relais De La Dominique 6x75cl

The debut vintage for the new label here, the updated, feminine design fits the approach of the wine. Liquorice, black cherry, flowers, and sweet cherries are all over the place. The wine is refined, pure and fresh, allowing its sweet, ripe, fresh, pure, red fruit essence to show with ease, from start to finish. This should age quite nicely.

DELAILLE UNIQUE

The culture of the vine is very old. It was developed as early as the 6th century, when clergymen were installed in neighboring abbeys and monasteries. Then, the Counts of Blois (11th century) by Edicts regulated (already !!) the plantations.

Later François 1er arrived and very much appreciated the wines of Cheverny… the Appellation was launched…

The vineyard covers 24 municipalities in the South of the Loire between Tours and Orléans. That is to say between the nearby Sologne and the Touraine Loir and Chérienne.

Of the 500 hectares making up the AOC Cheverny Appellation, the Estate operates 45 hectares, 90% of which are planted with Sauvignon Blanc and Chardonnay. The remaining 10% is made up of red grape varieties: Pinot noir and Gamay.

The vine is cultivated on hillsides and trays made of clay with flint or siliceous silt.

CASE OF 6

VEIGA DA PRINCESA

An authentic farm Albariño. The Vineyard was planted in 2002 after two years of collecting more than 200 small farms plot by plot and more than 70 different owners; a clear reflection of the Galician "smallholding". The chosen cultivation is Albariño trellis cultivation for more airy, sun-kissed and less acidic grapes than those obtained with other methods such as trained vines. Additionally, the vineyard avoids many the phytosanitary treatments applied in other subareas of the Appellation of Origin.

Monte Xiabre Albariño is a crisp and refreshing white wine from the Rías Baixas region in northwest Spain, made from the Albariño grape variety. It has a bright and pale yellow color with greenish reflections and an inviting aroma of ripe citrus fruits, green apple, and hints of white flowers.

ANTONINI

PHILOSOPHY IN THE GLASS

The wines of Tenuta Antonini are transversal and democratic. Two terms that are perhaps not usual when approached to the world of viticulture, but which perfectly represent the enological choice made in the vineyard and in the cellar.

The idea is to give every sip a wine that is easily appreciated, not designed only for connoisseurs, but capable, yes, of surprising them.

Balance is the key word, with a skilful communication work between agronomist and oenologist, in order to make Nature and the hand of man perfectly coexist, respect for the territory with innovative and sophisticated techniques, the unmistakable character of native vines with the need to soften the harsher features.

These are the wines of Tenuta Antonini: all to be discovered!

ANTONINI

The first harvest of Tenuta Antonini was that of 2020.

A very young winery, which, however, can already approach the Italian viticulture sector as a protagonist, thanks to a bond with the territory and with the world of wine over four generations.

Alessio and his father Marco have in fact brought to fulfilment the dream of Simplicio Antonini, who left in search of fortune to the shores of the United States in the first post-war period and returned to invest everything he had hard earned in the creation of a family farm.

From here, a growth process that is anything but linear originates, but with a single common denominator: love for one's land and for wine.

MABIS BISCARDO NEROPASSO

An intense blend of Corvina, Corvinone and Cabernet Sauvignon.

During Maurizio's long and illustrious career, he has consulted for well-known wineries around Italy and in doing so he came across the vineyards for their Puglian wines. Both the Pugliese and Veneto wines are characterised by an irresistible drinkability, aromatic purity and exceptional value for money.

Mabis Biscardo Neropasso is an explosion of cherry, plum compote and blackcurrant hits the palate, complimented by some spicy and herbal notes and a velvety, persistent finish. Made using the increasingly popular appassimento technique (drying grapes in the sun to intensify the fruit aromas and flavours), this intense, ruby-coloured wine could be described as Amarone's baby brother. It's so concentrated and complex that we guarantee you'll be back for more.
